Rules for 2013-2014 Bowling Season

Please Note: As the Secretary I am bound by these rules and cannot make, adapt or change any rules unless the Board of Directors (Captains of the Teams), direct that or those changes.

1. The league consists of 4 bowlers on a team with teams consisting of at least one member of the opposite sex on the team.

2. League bowling will commence on September 6, 2013 and end on March 14, 2014 at Kent Lanes, in Kent, Ohio. League play will begin at 7:00 pm SHARP! There will be no practice after 7:00 pm.

3. The league will consist of a split season with the position nights on the 14th and 28th week to determine first/second half champs. The 29th week (March 21, 2014) will be a singles tournament and a roll-off if one is needed for season championship between first and second half champs. Our season this year will be 29 weeks (*Including roll-off*)

4. Men and Women will be sanctioned with USBC. Men $16.00 Women $17.00

5. Weekly Bowling Fees* are $15.00 per night. Breakdown as follows:

*	**$ 10.00**	**Lane Fees**

7. Any unpaid fees will be deducted from individual prize money.

8. If quitting, an individual will be responsible for two weeks of fees unless a replacement can be found immediately for the next week. This is an agreement in which you have committed yourself. If an individual does not meet this obligation, a letter will be sent to USBC to report such arrearages.

Treasurer - *Cheryl Tennant* **Secretary** – *Martin J. Fleming 330-607-7480*

Kent Lanes, Kent Ohio 44240

9. A fee of **$4.00** per bowler will be paid to the Secretary and **$4.00** per bowler will be paid to the Treasurer.

10. Bowlers will use last years final average established on this league for the first three weeks of bowling (9 Games). The fourth week of bowling we will use the new established averages. All new bowlers will use highest final average from average book for the first three weeks. Bowlers who do not have an established average will bowl for average on the first night of bowling.

11. The seven point system will be used. Two points per game won and one point for the total pins. Tied games receive one point each.

12. The handicap will be **90%** of the difference between the two team averages or 90% of Team Average subtracted from 700 and 100% of the pins above 700 when a team has an average over 700.

***Example*:**

Team "A" Series Average is 740

Team "B" Series Average is 680

Team B 700 - 680 = 20 20 x .9=18

Team A 740 - 700 = 40 40 x 1.0 (100%) = 40

Teams B handicap is then 18 + 40 = 58 pins

If both teams have an average below 700 then

Team A=650

Team B=640 the difference is 10 pins x .9 (90%) = 9

Team B gets 9 pins handicap

13. Legal line up consists of two regular bowlers. Less than two regular bowlers will mean a forfeit. Emergencies will be taken into consideration by the officers and team captains.

14. Late Bowlers must start before the last bowler (***of the opposing team***), finishes the end of the 5th frame for their scores to count.

15. A blind score will be ten pins off the bowlers average. Absent or Vacant Bowler (no bowler on the team) will be 140 for women and 160 for men.

16. Each team captain is responsible for completing and signing the score sheet every week. Once they are turned into the secretary they are considered correct. Any errors that are found by the secretary when entering them on the sheets can be corrected and returned to the team Captains the next scheduled night of bowling. Team captains are also responsible for collecting the bowling fees and are to check money envelopes for team members who may be past due the allowed two weeks. Captains are to help replace needed bowlers. Please ask officers for any assistance if needed.

17. Any protests must be presented in writing and submitted to the League Secretary and will be decided upon in a meeting of team Captains (Board of Directors), and League Officers in accordance with the USBC rules with all decisions being final.
